Parent Participation/Authorization:

Please enroll my child(ren) in St. Mary's Church School for this year. As a parent/guardian, I understand that I have a sacred responsibility to encourage my son or daughter's religious education in partnership with the clergy and staff of the Church School. I therefore promise to make a conscientious effort to see to it that my child attends the Church School regularly and to work to reinforce their lessons at home and to participate as needed in the class work, projects and the liturgical life of our church community.
